

Spring Greetings

Dear APL Community,

I hope all of you are enjoying our suddenly sunny Spring. At APL, our students have been busy with their class work, enrichment activities and enjoying fun field trips in the community. This time of year is very special at APL, as we prepare for our second annual set of Broadway Bound performances. Again we thank Broadway Bound, such an incredible community partner, for introducing all of our students to the joys and challenges of musical theater. We can't wait for the performances! We also wanted to thank all of you who donated to APL during the Seattle Foundation's Give Big day. The continued support we receive from all of you in our broader community is vital to our success.

Finally, I wanted to add a personal note on the passing of my dear friend and mentor – Owen White. Owen was a tremendously important part of my own personal and professional journey and has been a steadfast supporter of APL. I only hope we can continue to grow and develop our school to be the leading program he helped us envision.

Sincerely,

Jennifer Annable
APL Executive Director

Remembering Advisory Board Member, Dr. Owen White

On Saturday March 31, 2012 we lost a friend and colleague, Dr. Owen White. Owen served as APL's very first Advisory Board member and helped mentor and guide APL since day one. His research and publications have had a profound impact on the fields of special education and applied behavioral analysis. A prolific writer, Owen was writing a book for publication on the Practical Science of Education at the time of his death. Our hearts go out to his wife and children. If you would like to write a tribute to Owen, please send it to Ilene Schwartz: ilene@uw.edu.

Living Our Mission: Community Partners

APL is continuing their mission to become an official WA State Green School! Led by Green Team Coordinator, Paige Colgan, students are close to becoming certified at the waste and recycling level! A bake sale was held earlier this spring to collect funds for the Green Teams efforts. To learn more about WA Green Schools, visit: <http://www.wagreenschools.org/>

Some of APL's **Service Projects** this Spring include:

***Race for the Cure:** APL Teacher, Danni Sandall is forming a Race for the Cure team. Proceeds benefit Cancer research. If you are interested in joining her team which will be running June 8th, please contact: dkSandall@gmail.com

***Overseas Coupon Program:** APL collected coupons for military families overseas. Coupons were utilized on military bases around the world.

***Book Drive:** The 2/3 classroom had a book drive and APL families donated their favorite reads! In addition, families brought books into The University Heights Center for the 'Donate, Swap, Read' program.

*We are dedicated to ensuring every student's success through accelerated academic progress, social development, character building **and community involvement!***

Enrichment at APL:

Theater: Jimmy Nixon and Michael Nutting, of Broadway Bound, have continued to prepare APL students in preparation for their productions this coming Spring: 'You're a Good Man Charlie Brown' and 'Beauty and the Beast.' Students have been practicing weekly in preparation for their pending performance later this Spring!

Give Big: A big THANK YOU to all of the APL community members that helped us make GiveBIG day a huge success! APL raised \$5,000 on May 2nd, 2012. GiveBIG was a day in which APL partnered with **The Seattle Foundation** to build relationships, bolster awareness and generate revenue for our school.

Also, many thanks to all the families, volunteers and community members that continue to lend their support enabling APL to thrive!
